James Brierley, Director at Elite

Welcome to an Elite 2021

Don't just *dream* of TINS, we will help you fulfil your every customers' tin desire!

With a 25% expansion to our warehouse capacity during December last year, we're able to offer even more products and will help you to grow along with us! Our key licenses: Sara Miller; Thornback & Peel and Emma Bridgewater, are all receiving significant range extensions this year, together with our own designs and creations. There's more Jo Stockdale and Madame Treacle. The Bridgewater Birch trays are now in stock and ready to fly off your shelves (or screens!). And our new, market-leading, rice husk coffee cups feature Bees, as well as Rabbit & Cabbage. New Emma Bridgewater kitchen textiles, Pink Hearts tea towels, make a great gift for loved ones and Valentines Day. Our two-tone picnicware transitions to a bamboo mix, reducing the plastic content. Our tin egg range grows, and we launch our 'Happy Hens' hen-shaped tins: empty and chocolate-filled.

Receive our email newsletter or simply place your order now on our trade portal - all at elitetins.com. And don't forget to follow us on Instagram for inspiration and the latest news! @elitegiftboxes #elitetins

Our aim remains the same as always: to help you find a tin for everyone and to continue as the market-leading, one-stop-shop for decorated tinware, with the best quality and designs. Grow your Elite offering with our matching kitchen textiles, birch trays and picnicware. Need your own tins? We can manufacture from 3000pcs.

Lots **NEW** for 2021

2021 continues with range expansions in market-leading kitchen textiles, birch trays, rice husk cups and bamboo picnicware.

These tried and tested, successful ranges are a logical addition to any order and make buying and selling easy: a unique opportunity to expand your business and its product ranges with total confidence in a brand we know our customers love.

Emma Bridgewater THORNBACK & PEEL FEELS LIKE HOME

Always a popular product range, our Emma Bridgewater gifting tea towels add Strawberries and a two-piece Pink Hearts set (Double Oven and Tea Towel). As the official UK distributors for Emma Bridgewater kitchen textiles, look out for mid-year additions and new Christmas lines. Great for growing your in-store displays or online sales!

Thornback & Peel is a brand we adore: simultaneously traditional and yet effortlessly fresh and modern, these designs suit a diverse customer base. Offering their full range of fabric products, everything for the kitchen and, for the collector at heart, we have tote bags, make-up bags, birch trays and even hot water bottles. Gifting has never been so easy!

Ernest Burgess

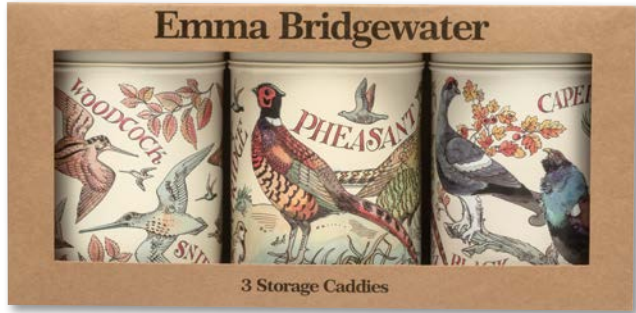

A collection of 30 different dog breeds arranged in five rows. The breeds include Golden Retrievers, Scottish Folds, Weimaraners, German Shepherds, Cocker Spaniels, Labrador Retrievers, Boxers, Rottweilers, Doberman Pinschers, Pugs, French Bulldogs, Dalmatians, Shetland Sheepdogs, Border Collies, Jack Russell Terriers, Yorkshire Terriers, Chihuahuas, Dachshunds, and many others. The dogs are shown in various poses, some sitting, some standing, and some lying down, against a plain white background.

[illegible]

A repeating pattern of small, stylized bees and colorful dots (red, green, blue, yellow) on a white background. The bees are depicted in various orientations, and the dots are scattered throughout the design. In the bottom right corner, there is a small red rectangular label with the text "Extra Bedding" in white.

The image shows the front cover of a book. The background is a light cream or off-white color. It is decorated with a dense, scattered pattern of small, solid-colored dots. The dots are in various colors: red, green, blue, yellow, and black. At the top center of the cover, there is a small, horizontal red rectangular label with a thin white border. Inside this label, the text 'Lectura Bridgeman' is printed in a white, serif font. The overall design is simple and elegant, typical of a classic book cover.
